Sub: Standard estimate of plantation work

Madam/Sir,

I would like to forward a copy of the standard rates of plantation during 2013-14 as maintained by the Department of Forest, Government of West Bengal. The rates include three major forestry divisions and also are for different kinds of plantations, all the rates are hectare-wise. The scheduled also includes maintenance charges payable per hectare during the 1+4 (plus 4 portion only) of the plantation cycle. However, in case of MGNREGES we propose to continue maintenance activity during the second and third years only. While preparing estimates in the plantation sector even with Gram Panchayats and Panchayat Samiti as PIAs, hectare-wise scale of production and maintenance charges should be followed.

Yours faithfully,

  
(Dibyendu Sarkar)  
Commissioner, MGNREGS  
&  
Special Secretary
