(14-26) The(Line Department).

Sub: Speedy & regular submission of utilization certificate based on MIS data uploading under MGNREGA.

This is well known to all that the object of MGNREGA is to generate 100 days employment in the rural sector of the country including our state of West Bengal per family per year.

For implementation of the scheme fund is provided through the MORD, Govt. of India as well as by the state Govt.

It is the terms & condition of the govt. that 100% expenditure of fund allotted must be reflected in MIS within the stipulated period of observing the guide line as fixed by the MORD and while considering the next release of installment 100% uploading of MIS of previously allotted fund must ensured as per guide line of MORD. So every release of fund & expenditure (100%) must reflect in MIS positively.

But unfortunately MIS uploading in every PIA level including Line Department is not satisfactory & even previous years (2009-10) Utilization Certificate & MIS uploading position is also unsatisfactory and as a result of which fund release through the state was stopped.

So each P.O & BDO and other PIAs (Line Department) is asked to ensure 100% MIS uploading of Schematic & Administrative expenditure fund. Necessary passwords have already been provided to all concern including Line Department for data uploading in MIS.

Balance available in hand as per status of MIS is annexed herewith for your ready reference.

After careful consideration in consultation with MIS status future fund will be released ()

Sub: 100% MIS operationalisation under NREGS

Sir,

I am to enclose a copy of DO. No. K-11011/2/2008-NREGA(MON)/TS dated 8th April, 2010 received from Amita Sharma, Joint Secretary, Ministry of Rural Development regarding full operationalisation of MIS under NREGA. It has become imperative that we achieve full operationalisation on all modules of MIS from 01.04.2010. Fund allocation henceforth will be decided from on-line MIS reports only. So, every possible effort should be taken for 100 percent operationalisation of MIS so that every module of MPR-may be generated from MIS from April'10.

Yours faithfully,

Enclosure: As stated above.
