Sub: - Workshop regarding Individual Benefit Schemes under MGNREGS.

MGNREGS provides an opportunity for the households from SC/ST/ BPL families, beneficiaries of land reforms /IAY and of SF/ MF to take up land development, irrigation facility, and horticulture plantation on their land to mitigate drought, enhance agricultural productivity and generate steady income.

Reports from field also show that there is increase in production on the individual land treated under MGNREGA. The Block Social Audit Coordinators are supposed to coordinate with the Gram Rozgar Sevaks responsible for the planning, IEC & smooth implementation of the schemes at field level.

Being new to IBS works there is need for orientation of all the Block Social Audit Coordinators enabling them to facilitate the works on individual lands to have some standard norms with flexibility to cater the local needs, so that the positive impact of such works is maximized.

Accordingly an orientation programme is scheduled to be on 24th June, 2011 (Friday) at 11 am in the Conference Hall, Jalpaiguri Circuit House, Jalpaiguri.

You are requested to spare the said official to attend the same. Block Social Audit Coordinators may be asked to sit with the GRS to get a picture regarding IBS & its implementation in the block & bring latest reports & status of application receipt at Gram Panchayat level to have a fruitful orientation programme. Junior Program Officer may be please spared for the meetings where the post of Block Social Audit Coordinator is lying vacant.

This is for your kind information.
